GOVT PILOT SECONDARY SCHOOL: COVERING THE DISTANCE OF MONTHS IN DAYS

It is a matter of great pleasure and pride for me to present the first issue of Newsletter to my dear students, reverent teachers and highly respectable parents. It is, on the one hand, a record of activities and achievements of the school and, on the other, a roadmap to bridge up our shortcomings and improve upon our strong areas. To recall, the school has excelled in curricular/co-curricular activities as following:

(SSC Exam 2014) FIRST IN SCHOOL 1048/1100 marks 1. Hafiz Saif Ali 2. Usman Salman (PEC Exam 2015) 444/500 marks FIRST IN SCHOOL

757/900 marks All Sections of Class-VII 3. Haris Babar FIRST IN SCHOOL

4. Syed Qasim Ali 752/900 All Sections of Class-VI FIRST IN SCHOOL

For these and scores of other achiements, I am highly thankful to my whole team, my hardworking teachers, students and parents for their incessant work. I am also indebted to Mr Ehsan Bhutta Programme Director DSD and his team for adopting this school and giving practical support for better teaching-learning environment.

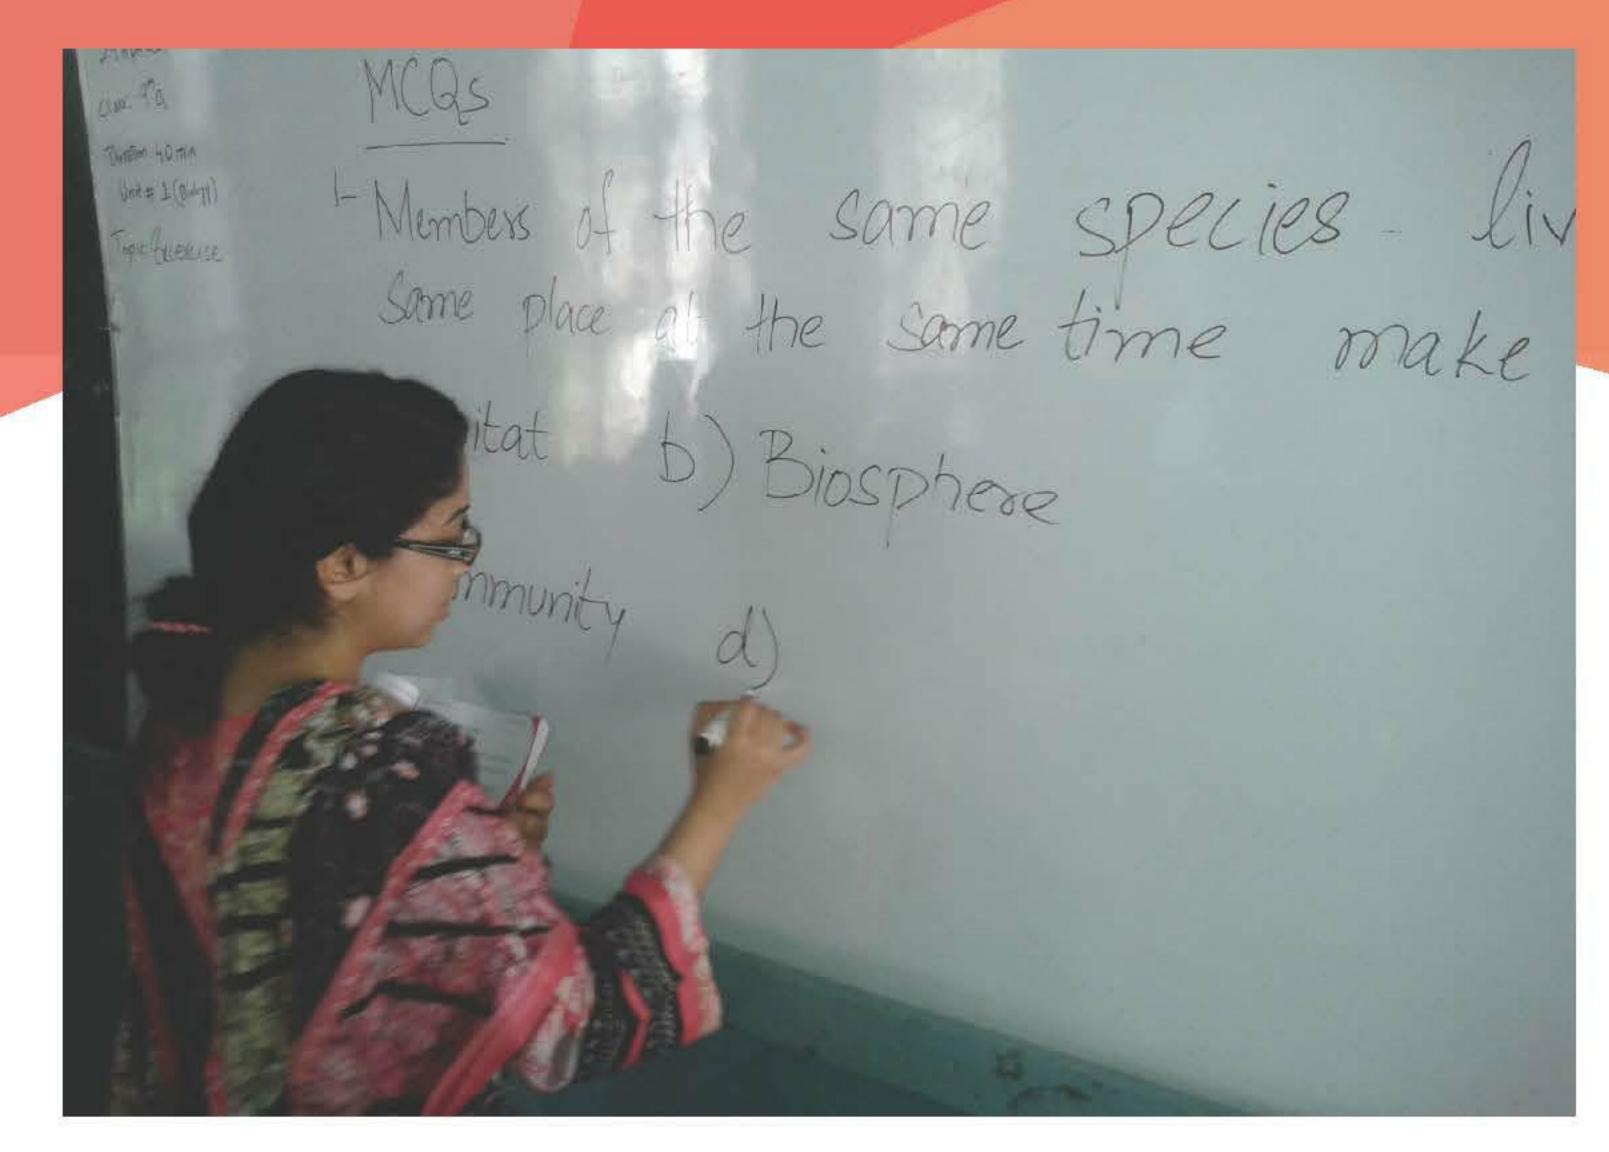

TEACHING AT PILOT SCHOOL

Teaching at Pilot School is based on golden principles of coaching like as:

- 1. Discovery method of learning
- 2. Interactive teaching-learning strategies
- 3. Learning by doing
- 4. Proper guidance and effective follow-up
